Former Yale Captain Plays Inward Half in 35 to Berkshire Man's 36.

MORE THAN 140 START

C. F. Toms of Red Hill Club, California, Gets a 1 at Fifth Hole.

Special Dispatch to THE NEW YORK HERALD. SHAWNEE ON THE DELAWARE, Pa., Oct. 5.—After a day wherein the leadership shifted several times a tie resulted in the eighteen hole qualifying round of the fall invitation tournament at the Shawnee Country Club today. The honors were shared by Hamilton Gardner of Buffalo and Hawley Quier, who represents the Berkshire Club at Reading, both players making the circuit in 77.

Several years ago Gardner made a bid for a chief cup here, but lost to D. Clarke Cockran of Baltimore in the final. When Gardner finished it did not seem as though any one would be able to threaten his position at the head of the list. The former Yale captain did his best playing on the homeward journey, making the inward half in 35. He had three 6s on the return, two going out and the other at the eleventh hole.

Quier, after 41 to the turn, came back so steadily that all he needed to win the medal was a 3 at the home hole. His drive for a hole wide and the best he could get was a four. The cards of the leaders were:

Makes Hole in One. In the field of more than 140 starters were golfers from all points, and although failing to loom prominently so far as his day's total was concerned, G. P. Toms, a member of the Red Hill Club in far off California, easily placed all others in eclipse by getting a 1 at the shot fifth, where he holed a maulie shot. Toms's total for the other seventeen holes was 55.

Conditions were ideal for golf, the course being fast as a result of the long drought, though the greens were at their best. In the early hours H. B. Newton of Whitmarsh, with an 83, looked like a king for a while until "Marathon" Fred Knight, also of Whitmarsh, handed in an 81.

Genaro Knocks Out Russell in the Fourteenth Round

Flyweight Contest in Rink S. C. Stopped by Referee.

Franklin Genaro, the New York flyweight former Olympic champion, last night knocked out Indian Russell of Harrisburg, Pa., in the fourteenth round of what was to have been a fifteen round contest in the Rink Sporting Club in Brooklyn.

The local boxer gave his opponent a severe drubbing and had him on the verge of a knockout when Artie McGovern interferred and stopped the one sided contest. Genaro started after his man at the close of the opening round and hammered him hard. Russell had no defense to offer and as a result was compelled to take a lacing. Despite the fact that Genaro hit his rival hard and often, he was unable to bring him to the canvas.

Russell was to have been matched with Pancho Villa, the champion, but after last night's showing it is almost certain that the boxing commissioner will return to the boxer the forfeit he has placed with the commissioner for that bout.

JOCK HUTCHISON, Former American Holder of the British Open Golf Championship. ON THE LAW OF THE LINKS. By Jock Hutchison.

ANSWER TO THE PROBLEM OF THE BALL RUN OVER BY A LAWNMOWER. When a ball is run over by a mower or destroyed by anything else that would cut the ball into pieces it is not necessary to play any one piece. A new ball may be dropped where the largest piece lies or as near to it as possible, the player of course not giving himself the worst of it, as it is presumed that the ball would have rolled to a good position had the mower not interfered.

THAT INFELD. Quite apart from any result of the games or any question of their sympathies may lie any fans attending this season's series. In the first game Bancroft ran out and took a short fly at the center fielder, making the catch over his shoulder while gull full speed. In the second game Heinie Groh went to his hands and then arose in time to throw out so fast a runner as Whit. Then by way of variety Frankie Frisch introduced some football. He dived at a ball some ten feet nearer second base than he was. It cleanly, rolled to his feet and pegged the ball to Kelly in the speeding Scott. A little later he robbed Ruth of what appeared hit, this time using only ordinary methods. In the first game he saved the day by outstripping a liner to a given point.

And big George Kelly has been knocking down vicious liars, digging up and pulling down throws with great facility. Kelly Bancroft and Groh! There may have been better infelds, but will four are rolling in high speed they are plenty good enough to most exacting sit up and take notice.

Bancroft and Groh kept their edge as lead off men over Witt through the second game. In the two battles the Giant pair resolutely eight times out of eighteen and the Yankee pair seven out of eighteen, but Dugan got there once on an error and once on a field.

It was interesting to note the difference between the pitcher Barnes this season and last. A year ago he suddenly produced a that broke and vanished like a soap bubble. This year he is change of pace and making great use of a slow ball. He still is but it is nothing like that curve of a year gone by.

Kelly appears to be a slow starter in a world series so far as is concerned. The Yankee pitchers trouble him more or less with a man who is apt to knock the ball out of the lot any time an a batter to be handled with the utmost care.

The Meusels appear to have made this series something of an affair. Irish and Bob have done great work in batting in run teams. Irish Meusel is probably doing a better job in a pinch in the big leagues to-day. He is really a mighty fine baseball player.

Cunningham broke into his first world series. The former Sea didn't do much at the bat, but probably will get other chances war is over.

After getting to first six times straight Heinie Groh finally an out or two to the box seat. When Groh is playing for real mo a real crowd there is no third baseman in the game who can make could get was a four. The cards of the leaders were:

In the third inning of the second game the Yankees made Ba lot of work. It took him twenty-five pitches to retire the side.

Charity may begin at home, but in the case of this tie it certainly all around the bases.

STANDING OF THE CLUBS. Conditions were ideal for golf, the course being fast as a result of the long drought, though the greens were at their best.

BALTIMORE, Oct. 5.—Mainly because of some wonderful pitching by Rube Benton, former big league southpaw, the St. Paul club evened up the series with Baltimore by capturing the second game of the series this afternoon, 2 to 1.

Benton led the hard hitting International League crew to three hits, and after McAvoy had driven in Baltimore's only run in the second inning with a short single to right, he was never in danger.

Opposed to Benton was Lefty Groves, the game side wheel who fanned twelve of the New York Giants in an exhibition game last week. Groves fanned nine to-day, but was wild. The cards:
